Fredericksburg, Virginia 22406

Creative, engaging and determined, full stack developer with a passion for front-end development and UI Design. My experience has taught me to focus on customer satisfaction through teamwork, while maintaining a commitment to exceed expectations. Actively pursuing opportunities to provide programming skills, leadership, and enthusiasm to a fast-paced environment as a full stack developer. As a 21-year United States Air Force Veteran, I am a proven leader and dedicated team player, who can make decisions, works well under pressure and improvise on the fly!
